September 9, 2026 AGM

We will be adopting the schedule decided on in the September 10, 2025 School Council AGM. No meeting for November 2025 as our regularly scheduled date is during fall break. All in agreement. Proposal for no meeting for June, as it is a very busy month with commencement for grads and various activities though the school. This will depend on how the year goes. In previous years it was noted that April is also a month that is challenging to schedule meetings. As long as we have 8 meetings in the year, we will meet our association requirements.
