Taryn from FCSS sent the NSCHS Council an email titled:

Subject: Teen Mental Health & Parenting Supports – Next Steps

Here is the copied email to discuss, possibly, at the next meeting, if added to the agenda.

“Hi Sherry,

I hope you're doing well. I wanted to follow up after sharing the teen mental health and parenting resources with you.

I've since spoken with Loretta Hannah, our Supervisor with Family Support Services, and she would be very happy to connect with you directly. She's open to having a conversation about the specific topics you and the New Sarepta High School Parent Council are most interested in, and from there, exploring the possibility of tailoring a workshop or presentation for parents in New Sarepta.

At the very least, she's happy to offer an open discussion to help get things started and provide guidance or direction around available support.

With your permission, you're welcome to reach out to her directly. She has shared her contact information and can be reached at 780-717-4372

Please let me know if you'd like me to make an introduction by email instead, or if there's anything else I can help with.

Warm regards,

Taryn Garbitt (*pronouns: she/her*)

Community Programmer, Family and Community Support Services (FCSS)
