Standing Business:

- 1) Meeting of School Councils – January 26, 2026 @ 6:30pm. No one from the board attended this time. Sherry will let us know when the next meeting date and time is planned for school council members to have an opportunity to attend.
- 2) Need a Casino Coordinator - This position is still open. More advertising will be sent out on social media and to parents through Notes email. We talked and agreed about expanding opportunities to community members too.
- 3) Workshop Survey - Taryn from FCSS sent the NSCHS Council an email titled:
Subject: Teen Mental Health & Parenting Supports – Next Steps
Here is the copied email to discuss, possibly, at the next meeting, if added to the agenda.
"Hi Sherry,

I hope you're doing well. I wanted to follow up after sharing the teen mental health and parenting resources with you.

I've since spoken with Loretta Hannah, our Supervisor with Family Support Services, and she would be very happy to connect with you directly. She's open to having a conversation about the specific topics you and the New Sarepta High School Parent Council are most interested in, and from there, exploring the possibility of tailoring a workshop or presentation for parents in New Sarepta.

At the very least, she's happy to offer an open discussion to help get things started and provide guidance or direction around available supports.

With your permission, you're welcome to reach out to her directly. She has shared her contact information and can be reached at 780-717-4372

Please let me know if you'd like me to make an introduction by email instead, or if there's anything else I can help with.

Warm regards,

Taryn Garbitt (*pronouns: she/her*)
